

Opportunities for Researchers – Examples from Germany

Prof. Günter Strunz
Earth Observation Center
DLR

Knowledge for Tomorrow

Funding Opportunities – Some selected examples

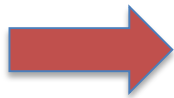

- **DLR Research Calls** (e.g. Earth Observation Applications Development)
- **BMBF Programmes** (German Federal Ministry for Education and Research)
 - Bilateral research projects (e.g. Vietnam)
 - Sector specific project calls, (e.g. current call on „International Disaster Risk Management“)
- **Alexander von Humboldt Foundation**
 - Post Doc Researchers
 - Junior Research Group Leaders
- **DAAD Programmes**
 - Individual scholarships
 - Bilateral exchange of academics

DAAD programmes

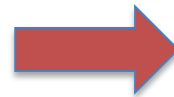

Individual scholarships

- Research grants and stays for scientists (1-10 months)
- Bilateral exchange of academics (1 week – 3 months)
- Re-invitation programme for former scholarship holders
